

Notice regarding TrueFiling Data Protection

This is to notify you that TrueFiling (ImageSoft, Inc.) will begin enforcing the data purge guidelines as stated in the License Agreement beginning Dec 26th 2015.

What this means to you:

- The official filing at the Court will not be affected or removed;
- Documents filed in 2014 will be removed from TrueFiling;
- All records filed in 2015 will be maintained until March 2016;
- Beginning March 2016, TrueFiling will remove documents from the TrueFiling user interface after 180 days;
- After a filing has been inactive for 180 days, you will not have access to the official copy, proof of service, or document receipt through TrueFiling;
- If there are any official copies you need, you must retrieve these before 180 days of inactivity;
- If you require a copy of a document after it has been purged from TrueFiling, you will need to contact the court to receive a copy of this document.

The Court recommends you download and save any official copies, proofs of service, or receipts before the beginning of 2016.
